## Event Schedule:

- Friday** - **7pm** - Join us for the *Historic Pub Crawl*. You will visit several pubs in historic section of downtown St. Augustine. We will meet at the Maiden's Pub on St Francis Field under the big tent. Dress in your best pirattude for a fun time for all...
- Saturday** - **9am** - Gates will open for the Pirate Gathering. Come see the Pirate Battle to see who gets the booty. Then return to St. Francis field and enjoy the gathering with music, weapons displays, sword fighting and shopping in the Thieves market.
- TBA** - Pirate Parade - Join the pirates as they parade through historic St Augustine.
- Dependant on the number of KSM members going, we may take a float. The route specifics (there be a couple tight turns and low hangin branches!) and the number of people going would help determine which one goes. There will be a fee TBD. You will be asked to pay your fee on the KSM website when more info becomes available.*
- 5pm** - The Gathering will close for the private party "The Buccaneer Bash". You will need to purchase a separate ticket for this private event. (Only 21 and older will be admitted, so bring ID.)
- Sunday** - **9am** - Gates will open for the Pirate Gathering. Pirate court will commence. Join us for a fun time as the rowdy pirates are brought to justice.
- 5pm** - The Gathering shall close and all pirates shall return to the high seas until next year.

## Buccaneer Bash Tickets

You will be able to purchase your Buccaneer Bash tickets on their website at [www.pirategathering.com](http://www.pirategathering.com). This is a private catered party on Saturday night November 13th, from 7pm to 11pm. You must purchase a ticket to join in the fun and please dress in your best Piratical attire.

There will prizes for the best decorated table, best pirate and much more. We will also be visited by the Royal Family residing in Saint Augustine....more to come.

## Reserve a Table

Buy your own table in the Main tent and decorate it how ever you please. Voting for best table will be on Saturday at 3:30. It's a great way for people to find you and to hang out PLUS you have a secured seat for the Buccaneer Bash!! (It does get crowded!) One table with 10 chairs is \$100 - you must have at least 5 Buccaneer Bash tickets to purchase a table. See the Pirate Gathering website for more info and to reserve your table:

[www.pirategathering.com](http://www.pirategathering.com)

KSM already has one table reserved, and it's full (meaning 10 have already made their reservations!). Once others commit to going, Cindy Dauck can help put those people in touch with one another to reserve more tables. You'll want to get together with those going and plan your table decorations too! Pirate Gathering organizers have assured us that they will place us all together in one area, dependant on the number of tables reserved.
